There are three categories of products to select - English, Spanish and Logo

Click the product you would like to order

- Select the quantity to print
- Select shipping address or add a new shipping address
- You may also add any additional instructions for the order
- Click customize order
- The form on the left will prompt you for information that can be customized
- Click update preview to proof entered information. This will be your only proof. Once order is submitted it will go into production.
- Check 'Yes, I approve this document.' once design is finalized
- Click finished editing to place item in shopping cart or save for later to check out at a later date
- Save for later will hold your progress in the save for later tab in top navigation for 24 days before purging from the system

For Chapter Logos you will only need to select state, file format and email address to send file to and click add to cart

Review your order and select shipping method
Please note, the shipping prices are estimates, a final invoice will be sent before billing.

Fill out Point of Contact, please include name and phone.
This field is required to submit your order.

If you'd prefer to take care of your printing with an outside vendor, please designate in the additional instructions text area. A customer service representative will contact you for payment of the file processing, which is $5 per file, and will email the print ready PDF. If there are no special instructions for the order, DocuMart will print and ship your order directly.

Click submit order

The Top Navigation contains links to your Order History for reorders, a contact DocuMart form with file upload, your profile and a link that will open a new window to postpartum.net
